

**TRIBAL ENERGY
ALTERNATIVES**
— A GRID AFFILIATE —

California Support. Culturally Rooted.

Tribal Energy Alternatives California Resources specifically support the state's 109 federally recognized Tribes—combining localized energy opportunities with culturally grounded solutions.

What We Offer:

- **Energy Policy Advocacy**
 - Advocating for California Tribes
 - Updates on policy action and regulatory action affecting CA Tribes
 - Networking and Partnership Development
 - Providing comments on policy proceedings
- **Government State Relations:**
 - Communication with Investor and Public owned Utilities and Commissions
 - Communication with all California tribes
 - Relationship Building with CA Tribal organizations
- **Funding Resources:**
 - Tribal Solar Accelerator Fund Grants
 - CA Energy Incentive Programs
 - State and Federal Energy Grant Identification
- **Workforce Development and Training**
 - Tribal Energy Alternatives Workforce and Education program offerings
 - Training program development & resources

Let's build your clean energy future—together.
